

THE HALL
STEPS
FOUNDATION

The Steps Competition

H.S. & Collegiate track teams

Started by professional runners Ryan & Sara Hall, The Hall Steps Foundation is a non-profit that seeks to fight for better health, through better health.

Beginning March 15th, we're launching a team running competition to benefit those in desperate need through your high school or college track team. The winning team will receive the grand prize of a team visit and practice with professional runner, Ryan Hall.

Win the chance to have
American marathon record-holder
Ryan Hall
join your
team practice.
